

Adair County School District

Summer 2009

PROFESSIONAL DEVELOPMENT CATALOG

Knowing is not enough; we must apply.

Willing is not enough; we must do.

~~Goethe

This catalog includes professional development sessions that will be held within the district and other sessions that are outside the district or online. You may choose sessions from this catalog or others that are approved by your supervisor, related to your content area, and are outlined in your professional growth plan. District staff is required to complete 24 hours of professional development activities for each school year.

All staff is required to attend the *Test Data Analysis* professional development session that is scheduled for October 23, 2009.

We are pleased to offer the *Adair County PD Institute* on July 29, 2009. This day of professional development will provide staff with the opportunity to choose from a variety of 1-2 hour sessions of interest, including instructional strategies and technology. You will be required to register for specific sessions throughout the day. All participants will have the opportunity to earn 6 hours PD credit on this day.

Please choose professional development sessions that are most beneficial to your professional growth for the upcoming school year. **Complete the Adair County PD Intent Form and the Adair County PD Institute Registration Form that are included in this catalog and return them to Juanita Foley at Central Office by Friday, May 15, 2009.** Itineraries for the Adair County PD Institute will be provided to you when you sign-in on July 29th.

You are expected to attend all sessions for which you register. Cancellations must be reported to Phyllis Curry or Juanita Foley at Central Office. Please cancel as soon as you become aware that you cannot attend a session so that another staff member may participate in your slot. Sessions with fewer than 10 participants may be cancelled.

SESSION DESCRIPTIONS

7:40 am – 8:40 am

Infinite Campus Refresher for Teachers

Jason Rector, Presenter

This refresher course for teachers will cover gradebook, lesson planner, and the new parent portal that will be available for all parents/students beginning in 2009-2010.

Web 2.0 Tools – An Introduction to Blogs, Wikis, and Podcasts

Chad Parnell, Presenter

This introductory session will provide teachers with an overview of Web 2.0 Tools and of their use in the classroom to enhance learning and collaboration. Additional training for these interactive learning tools is available for interested staff through *How-to-Master* online professional development.

National Board Certification

Marsha Reddick, Presenter

This workshop will provide educators with a brief overview of the National Board Certification process. National Board Certification provides: Rank 1 Status/pay increase, \$2000 yearly bonus (10 years), and excellent professional development. All interested educators should make plans to attend.

7:50 am – 9:50 am

RTI: Designing District and School RTI Plans

Mary Ann McQuaide, Presenter

This session is limited to school administrators and district office personnel.

Make and Take Teacher Webpage

Pat Coomer, Presenter

Teachers will learn how to create a very easy webpage for posting classroom information for increased communications with students, parents and the community. Teachers will learn how to add content, make changes and personalize their webpage. Teachers will leave with a basic user-friendly and appealing webpage. The webpage can be later worked on from home or school. Anyone that is familiar with Microsoft Word can master this session. **Bring a digital photo of yourself and a flash drive.**

Using Your Senses

Gail Milligan, Presenter

See how you can take grammar, myths, Haiku poetry, and cinquains outdoors and get students to connect to their senses to become better writers.

8:50 am – 9:50 am

Infinite Campus Refresher for Teachers

Jason Rector, Presenter

This refresher course for teachers will cover gradebook, lesson planner, and the new parent portal that will be available for all parents/students beginning in 2009-2010.

Web 2.0 Tools – An Introduction to Blogs, Wikis, and Podcasts

Chad Parnell Presenter

This introductory session will provide teachers with an overview of Web 2.0 Tools and of their use in the classroom to enhance learning and collaboration. Additional training for these interactive learning tools is available for interested staff through *How-to-Master* online professional development.

TakeOne!

Marsha Reddick, Presenter

TakeOne! Is a National Board professional development initiative done throughout the school year that improves teaching and also has some great benefits for teachers. This may be applied towards National Board Certification. Learn more!

10:00 a.m. – 12:00 pm

5 Strategies for Improving Test Scores PK-6

Jason Gibson, Presenter

Five instructional strategies for improving test scores will be introduced for use in all Adair County classrooms in 2009-2010. **Highly Recommended by Assist Team**

Online Resources and Integration Strategies 7-12

Michael Godsey, Presenter

Online resources and integration strategies will be provided that are relevant to all teachers, regardless of grade level or content taught. Teachers will leave this session with quality resources for use in their classrooms.

Fitting Economics into What You Already Teach for PK-12

Lynn Nix, South Oldham Middle School Teacher, Presenter

Ms. Nix hails from one of the highest performing districts in Kentucky. She is presenting for the Kentucky Center for Economics Education. She will share with you how to incorporate resources available through KCEE into your Social Studies, Math, Reading, Practical Living, and Science classes.
